

# THE SUSTAINABILITY CHALLENGE

**WELLESLEY STUDENTS:**  
**Get creative for sustainability!**

**Submit your project promoting a local resource, policy or behavior change that makes Wellesley greener.**

These can be in the form of an advertisement, essay or story, video, infographic, poem, music or another form of audio/visual artwork. Convince your audience that it's a great way for them to help the environment.

*Detailed entry criteria, topic ideas, sample projects and recommended resources available on WEF's Sustainability Challenge website.*

**Winners will be honored at the Wellesley STEM EXPO on April 6th** and receive a VIP tour of a featured exhibit, as well as have their project published in town newspapers by the Wellesley Education Foundation!

**Deadline to enter is March 15, 2019. To submit your entry go to:**
